

## Home School Guide – Summer 1

### Tiger Lilies – Years 3 and 4

**English** – For our fiction genre, we will be learning to write a finding tale – children will learn how to create suspense in their stories. For non-fiction we will be writing a discussion text. We will continue to develop our reading comprehension skills by reading a variety of texts including “The Iron Man” and “Cloud Busting”. Children will learn to retrieve, compare, predict, infer, explain and find information.

**Maths** – We will continue our learning on fractions in Maths. We will also learn about decimals, which will include money. We will continue to consolidate our learning on multiplication and division which was covered during remote learning.

**DT** – In DT, children will review their learning on the Romans. Children will design and construct Roman catapults. This unit will involve links to Maths as we will learn about measures and angles.

**Geography** – In Geography, children will locate the world’s countries, using maps, with a focus on Europe and countries of particular interest to pupils.

**Science** –In Biology, children will learn about the different functions of parts of plants. In Physics, we will identify how sounds are made.

**PE** – This half term in PE we will be learning Netball. Some of the key skills the children will develop include perseverance, defending, attacking, throwing and shooting. PE will be on Thursdays.

### Things to remember

- Classroom doors open at 8.50am and pick up time will be 3.20pm.
- PE is on Thursdays this half term. All children should attend school in their PE kit on these days. Please remove children’s jewellery in a morning if they cannot remove it on their own.
- Weekly spelling tests will be completed on Friday and the results sent via Class Dojo. Children have the opportunity to practise daily at school but you can help your child by practising with them at home. The spelling list is sent out via Class Dojo and the new spellings can be practised on Spelling Shed weekly.
