

## A message from the Head

Thank you to 'MC Grammar' who came in this week to perform a concert with the children. Everyone enjoyed taking part and advancing their spelling punctuation and grammar!

Recently, we have seen a slight increase in the number of children arriving late to school. Please may we remind you that children should be arriving no later than 8.50am. Please remember to contact the school office if your child is going to be absent.

We are in the process of arranging a number of events before the end of the academic year - keep an eye out for news of our Queen's Platinum Jubilee celebrations taking place this month!

Finally, we would like to wish all of our Year 2 and Year 6 children the best of luck in their SATS.

**Mr Quinn**

## Tiger Lilies

In English, we have been story mapping our new model text, The Horrible Noise. We analysed it and picked out all the writing features so that we are ready to write our own finding tale next week!

Well done Tiger Lilies can't wait to see how you innovate this text.

## Stargazers

In PE this week we have developed our skills and have been able to aim at a small target and hit it with a ball using both our forehand and backhand skills.

We have done this individually and in pairs and will advance this in to beginning a rally next week!

Super skills Stargazers!

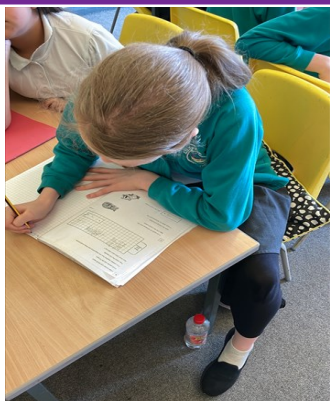

## Matrix

This week in Matrix we have been hard at work revising for our SATS next week.

Everyone has worked extremely hard and we are very proud of them.

Well done Matrix!

## Attendance

It is very important that you contact the school office if your child is absent due to illness. You can do this by calling the school office on 01484 505228 or reporting the absence via class dojo or MyEd. You must do this every day of absence.

If your child is absent and you have not informed us, then the following will happen:

- \* A text message will be sent out to you around 9.30am asking you to contact the office with the reason for absence
- \* If no response is received a call will be made to all the contacts we hold, to find out the reason for absence
- \* If no response is received by lunch time a member of staff will visit your home, they will ask to see your child to ensure they are well
- \* If there is no response at the home visit school will contact the police to conduct a welfare check, if the police conduct a visit, it is very likely that they will put in a referral to social care.

If your child has been absent from school for a significant amount of time, a member of staff may also conduct a home visit to check on your child.

If you have any concerns or questions regarding this, please do not hesitate to contact Mrs Starkey.
